

## Rules of Behaviour for all Participants to the Cabernet Cup Ice Hockey Tournament

---

The goal of the Cabernet Cup Ice Hockey Tournament is to build a competitive framework for all high school students while promoting their respective schools. In order to achieve this goal, a school athlete jointly represents both school and team when attending the Cabernet Cup Ice Hockey Tournament. This consequently confers a responsibility upon him/her during the time of absence from school. This responsibility assumes greater meaning when individual teachers/coaches instruct their competitors in the degree of importance attached to it. We ask that the teachers/coaches discuss the following Rules of Behaviour with their athletes and be prepared to adhere to these rules during the course of the tournament.

1. The teachers/coaches must prepare participants with regard to the behaviour expected of them at the tournament.
2. The teachers/coaches bear the responsibility for supervising his or her athletes for the entire period during which they are absent from school or home. If the teachers/coaches of a team are of the opposite sex, a suitable adult chaperon of the same sex, as approved by the principal of the school, must be present and available at the accommodation site for the duration of their stay in the accommodation.
3. The consumption of any alcoholic beverage by participants, whether of legal drinking age or not, at any time during the tournament is expressly forbidden. "Participants" are defined as "students, parents or guardians, volunteers, teachers and any other staff member as well as anyone else who has been granted proper authorization to enter a restricted area." A "restricted area" includes "those areas occupied by athletes and to which access by the general public is restricted or prohibited."
4. Drugs, other than medication prescribed by a medical doctor for a specific competitor, are expressly forbidden.
5. All participants will deport themselves in a manner becoming representatives of their school and team while attending the tournament. Attention must be paid to:
  - Respect for others; all participants have the right to freedom from harassment (as defined by the Canadian Human Rights Commission), equal treatment without discrimination based on race, place of origin, colour, ethnic origin, creed, physical or mental ability, sexual orientation, or sex;
  - Respect for property;
  - Conduct;
  - Language;
  - Respective dress attire; and
  - Student-athletes must remain fully clothed in the appropriate team uniform in the competition area, AND use the designated locker room or change area to change to and from competition attire.
6. Participants staying in tournament accommodation are expected to respect the right of others to undisturbed rest. Those who create disturbance in rooms or corridors after a reasonable hour will be subject to disciplinary measures. Student-athletes are expected to observe any curfew imposed by the Cabernet Cup convener while at the tournament.
7. All schools entering the Cabernet Cup Ice Hockey Tournament shall, by signature of the school principal on the Entry Form below, acknowledge responsibility for making restitution for damage resulting from misconduct by their participants. A report of the matter in question can be made available to the Principal of the school upon request.

Penalties imposed may include, but are not limited to: stripping of awards, removal of records and standings, suspension from future Cabernet Cup Ice Hockey Tournaments, notification to appropriate sport governing bodies, *etc.*
